Re: BusConnects Kimmage to City Centre Bus Corridor Scheme

Dear Sir/Madam,

Transport Infrastructure Ireland (TII) acknowledges receipt of referral of the BusConnects Kimmage to City Centre Bus Corridor scheme application by National Transport Authority (NTA). TII wishes to acknowledge and support the BusConnects Project in playing a key part of the Government's policy to improve public transport and address climate change in Dublin and other cities across Ireland.

TII's observations seek to address the safety, capacity and strategic function of the light rail and national road networks in accordance with TII's statutory functions. Official policy in respect of the national road network is set out in outlined in the Section 28 *Guidelines Spatial Planning and National Roads Guidelines for Planning Authorities* (DoECLG, 2012).

Future Luas, Metro and BusConnects alignments are a matter for the National Transport Authority (NTA).

The proposed Scheme does not include any direct interactions with the national roads or light rail (Luas) networks. Therefore, TII has no observations to make on the above proposal.

Please acknowledge of receipt of this submission.

Yours faithfully,

Cliona Ryan
