## Observation details

### 5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word limit** as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

I wish to object to the closing of the slip lane from the N11 to Kill lane to general traffic as part of the Bus Corridor Scheme as diverted traffic will take a route at Whites Cross ( Newtownpark Ave Junction ) onto residential roads such as Foxrock Avenue to access housing that is accessed from Kill Lane such as Foxrock Park , Foxrock Grove, Beech Park and Clonkeen Drive.

Also access to Foxrock Church will be diverted.

My understanding is that DLR intend to make alterations to Deansgrange Road and I would question whether any traffic impact studies have included this in assessing diverted traffic that uses Kill lane.
