**SOS – SAVE OUR SHANKILL
BUS CONNECTS CORRIDOR 13**

Dear An Bord Pleanála,

I have been very lucky to have been living in beautiful Shankill for 27 years. Beautiful, because of many things, namely the fabulous trees and the lovely stone walls.

Does anybody know anything about trees in the NTA? Beautiful, tall, majestic living plants...they clean the air we breathe. A large mature tree can give oxygen to four people over 24 hours.

Trees are magical. Trees planted near to each other can look after each other through their root systems, the strongest and oldest sustaining the youngest and weakest.

The NTA propose to kill over 500 mature, healthy trees in Shankill, along with hedges, for absolutely no gain in transport time whatsoever. Please do not allow this to happen.

Please come and visit our beautiful village and wonder at these fabulous trees. Our life line.

I am enclosing my cheque for €50.

Kind regards,

Suzanne Cook
