Dear Sir/Madam,

We refer to NTA's letters of 10th of August 2023 and 28th September 2023 notifying RSC Caritas CLG of its applications to An Bord Pleanála for approval of the above proposed scheme and associated Compulsory Purchase Order which affects the CLG's property at Ravenswell, Bray, Co. Wicklow.

We wish to make the following submission in connection with the proposed Scheme and CPO.

1. CPO Schedules

The schedules reciting the ownership of the above plots includes RSC Caritas CLG as "Owners or Reputed Owners". Please note that RSC Caritas CLG is not the owner of the referenced plots however it has inalienable rights of way over the avenue and for access to services etc. within in the proposed CPO plots.

The rights of way provides access to RSC Caritas CLG's property to the north which is leased to the Department of Education and Skills and comprises a secondary school occupied by North Wicklow Educate Together.

Please also note that the subject plots along with adjoining plots within the former Industrial Yarns Ltd. property are within lands which RSC Caritas CLG has contractual agreements with Pizzaro Developments Ltd, whose interests we understand are now held by Shankhill Property Investments Ltd, for the construction of new access roads.

2. Proposed Works

The National Transport Authority has not provided sufficient details of the works on the subject plots to enable RSC Caritas CLG to fully consider the impact of the scheme on its property.

As the plots include the avenue serving RSC Caritas CLG property and the school located thereon it is essential that NTA provides details of the proposed works including the provisions for safe uninterrupted access to the property during the works and permanent access following their completion along with the continuity and reinstatement of any services. It is also essential that the proposed scheme shall not compromise the proposals for the construction of new access roads by Pizzaro Ltd / Shankhill Property Investments Ltd.

3. Submission

We respectfully submit that in considering NTA's application, An Bord Pleanála conditions any approval of the scheme and CPO to require NTA to provide details of the proposed works and to engage with Caritas CLG to ensure that all works are completed to its satisfaction and that the use of its property is not compromised in any way.

We hope that you can give our submission favourable consideration and we shall await hearing from you.

Yours sincerely,

Sr Patricia Lenihan

For and on behalf of RSC Caritas CLG
