Site Address:
Grennan
Attanagh
Co. Laois
Site Building Type:
Site Townland: GRENNAN ATTANAGH

Interaction Details:

Attendees: James Condron
(by phone)

Discussions:

Advised Mary Cotter, agent for applicant, to furnish me with a landholding map and ensure that spreadlands are as far away from nearby River Barrow and Nore SAC or drains/streams which flow into the SAC. If application requires an appropriate assessment, then the planning authority is precluded from accepting a retention permission for farm building.
