**Re:** Application for Substitute Consent for the continuation of existing quarrying works, consisting of the extraction and grading of stone for the building industry, and all associated site development works. Drumbeagh, Mountcharles, Co. Donegal.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act, 2000, (as amended), you are required to submit, on or before **7<sup>th</sup> August 2024**, the following information:

**A Remedial Environmental Impact Assessment Report (EIAR) is required.**

If the information required is not received before the end of the specified period, the Board will dismiss or otherwise determine the application without further notice to you in accordance with section 133 of the 2000 Act, (as amended). Your submission in response to this notice must be received by the Board not later than **5.30 p.m. on the date specified above**.

The Environmental Impact Assessment Report should comply with all of the provisions of article 112 of the Planning and Development Regulations 2000 - 2023, in particular your attention is drawn to Article 112(1)(a) which states "not more than 2 weeks before submitting the Environmental Impact Assessment Report publish a notice of the intention to submit the Environmental Impact Assessment Report in at least one approved newspaper". Additionally, Article 112(5)(d) states that the Environmental Impact Assessment Report is "sent to the EIA portal in electronic form" and that a copy of the confirmation notice is submitted to the Board.
