Re: Application for Substitute Consent for the continuation of existing quarrying works, consisting of the extraction and grading of stone for the building industry, and all associated site development works. Drumbeagh, Mountcharles, Co. Donegal.

Dear Sir / Madam,

The Board is of the opinion that the remedial Environmental Impact Assessment Report, submitted to the Board on 6th August 2024, does not comply with the statutory requirements under article 222A(b)(i) of the Planning and Development Regulations 2001-2023, as amended.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, **on or before 17th September 2024**, the following information:

- **Updated remedial Environmental Impact Assessment Report to comply with section 222A(b)(i) of the Planning and Development Regulations 2001-2023, as amended.**
- **Revised public notices reflecting the updated remedial Environmental Impact Assessment Report.**

The Environmental Impact Assessment Report should comply with all of the provisions of article 112 of the Planning and Development Regulations 2000-2023, in particular your attention is drawn to Article 112(1)(a) which states "not more than 2 weeks before submitting the EIAR, publish notice of the intention to submit the EIAR in at least one approved newspaper". Additionally, Article 112(5)(d) states that the Environmental Impact Assessment Report is "sent to the EIA portal in electronic form" and a copy of the confirmation notice is submitted to the Board.

Furthermore, you are required to submit 6 hard copies and 1 electronic copy of the remedial Environmental Impact Assessment Report to the Board. A copy of the revised public notices are to be submitted to the Board.

Please find enclosed templates for publication/erection of the remedial Environmental Impact Assessment Report which may be of assistance.
