Re: Fee Coverletter
Mr. John Roche
Clonmines, Wellingtonbridge, Co. Wexford.

Dear Sirs,

Please find enclosed Substitute Consent Application Form and the prescribed documents in this connection.

We had previously submitted a Substitute Consent Application which was subsequently invalidated and the application fee of €3,000.00 was returned by way of an An Bord Pleanála cheque (Cheque No. 040798).

The client advised us to retain the cheque for the re-submission and according please see attached cheque to confirm that the applicant has a credit with An Bord Pleanála in the sum of €3,000.00. We had discussed this matter with the fees and accounts department and they advised that the return of the An Bord Pleanála cheque would suffice to confirm the applicant's €3,000.00 credit in your accounts.

We trust therefore that the matter of the application fee is acceptable.
