Dear Sir/Madam

The applicant is obviously trying to circumnavigate the laws of Wexford planning. Thus making a joke of Wexford planning authority and enforcement order.

There is a serious environmental issue here.

Where is the large quantity of human excrement being disposed of?

Is he spreading same waste on his land?

If he is not then where else is waste going?

My address

Owen Williams

No 2, Dodder rd lower,

Rathfarnham,

Dublin 14
