Re: Development at Ros a Mhíl (Original Red Line Boundary as per 2017 Application) Substitute Consent under the provisions of section 177E(1) of the Planning and Development Act 2000, as amended, for retrospective permission in relation to development works undertaken between 11th July 2023 and 20th May 2024 for a new Deep- Water Quay at Ros an Mhíl Fishery Harbour Centre, Co. Galway (The First Application)

Dear Sir or Madam,

Údarás na Gaeltachta hereby gives consent to the Department of Agriculture, Food and the Marine to include, within its development site for the Deep-Water Quay Project at Ros an Mhíl Fishery Harbour Centre, the portions of Folio GY27458F and Folio GY16356F shown hatched cyan on the attached map.

Údarás na Gaeltachta also gives consent to the Department of Agriculture, Food and the Marine to allow foul water discharge of 35m³/week to be treated at our wastewater treatment plant at Ros an Mhíl as part of a Substitute Consent Application for the Ros an Mhíl Deep Water Quay Project.

The current capacity is 2100m³/week, and the current loading is approximately 1065m³/week. The Discharge license number is W182/88.

Should you have any further requirements, please do not hesitate to revert to us.

Le meas,

Signed by:
