### Cuid 7: Eisimircí ag filleadh abhaile

1. Le heisimircigh atá ag filleadh chuig suíomh ar an ngabháltas clainne ónar eisimircigh siad agus atá fós i seilbh na clainne, ar nós nár fhág siad an ceantar in aon chor.

- Caithfear cáipéisí a sholáthar mar fhianaise go bhfuil an gabháltas clainne seo ann.
- Ba cheart cruthúnas éigin a sholáthar chun a thaispeáint go bhfuil an t-iarratasóir(i) ag filleadh go cinnte. Tabharfar breithiúnas ar fhairsinge an chruthúnas seo ar bhonn cás i ndiaidh cás. Tabharfaidh cruthúnas ar nós díolaíocht maoin thar lear, éirí as post, clárú gasúir i scoileanna, tairiscintí oibre sa gceantar ar fad cabhair ar chás a dhéanamh ach níl siad riachtanach. Tabharfaidh cruthúnas ar cheangal leanúnach leis an gceantar cabhair chun riachtanas tithíochta a chruthú.

2. Eisimircigh, atá ag filleadh chuig suíomh ar an ngabháltas clainne ónar eisimircigh siad ach nach bhfuil fós i seilbh na clainne.

- Beidh ar eisimircigh, atá ag filleadh chuig ceantar nach bhfuil seilbh ag an gclann ar an ngabháltas clainne, cruthúnas breise a chuir ar fáil go bhfuil an

### Section 7: Returning emigrants

1. Emigrants, returning to a site on the family holding from which they emigrated and which is still in family ownership, will, generally, be treated the same as if they had not left the area.

- Documentary evidence demonstrating the existence of this family holding must be produced.
- Some evidence should be produced to demonstrate that the applicant(s) are actually returning. The extent of this evidence will be judged on a case-by-case basis. Evidence such as sale of property abroad, resignation of employment, enrolment of children in schools, offers of employment in the locality will all assist in making a case but are not essential. Proof of on-going connection to the area will also assist in establishing need.

2. Emigrants, returning to a site on the family holding from which they emigrated but which is no longer in family ownership.

- Emigrants returning to an area in which they no longer have a family holding in family ownership will be required to provide additional evidence of

**gabháltas seo ann. Cuirfear san áireamh an tréimhse a raibh an gabháltas i seilbh na clainne, na fáthanna gur cuireadh de lámh é, láthair reatha aon bhall clainne (más ann dóibh). Ar chruthúnas riachtanas tithíochta tuaithe cuirfear san áireamh iad i gcóir tithíocht ar thailte laistigh don “gceantar áitiúil” ina raibh an sean ghabháltas clainne.**

**Déanfar cinneadh ar an gciall a bhaineann le “ceantar áitiúil” ar bhonn cás i ndiaidh cáis. Go ginearálta beidh láthair ar bith taobh istigh de tuairim agus 1.6 ciliméadar den teach cónaithe clainne sásúil. Is ábhar thábhachtach a bhéas i láthair an tsuímh agus a laghad tionchair atá aige ar an gceantar, nuair atá measúnú dhá dhéanamh ar an iarratas.**

### **3. Eisimircigh, atá ag filleadh ach nach bhfuil in ann suíomh a fháil ar an ngabháltas clainne**

- Glacfar le héilimh nach bhfuil suíomh ar fáil ar an ngabháltas clainne áit a bhfuil cosc ar thógáil de bharr bac fhisiciúil nó de bharr gur ceantar thírdhreachta íogair atá ann nó de bharr sonraí reachtúil. Go ginearálta, ní ghlacfar le doicheall clainne, suíomh a chuir ar fáil. Sa gcás seo beidh an riachtanas tithíochta níos deacra le cruthú.**
- Is í an aidhm atá leis an méid seo thuas ná a chinntiú go bpróiseáiltear iarratais ó eisimircigh atá ag filleadh i gcomhair le prionsabail phleanála cheart agus forbairt inbhuanaithe agus i dtaca le forálacha an phlean forbartha. Sa gcás seo ní thabharfar fabhar níos mó ná níos lú d’iarratais eisimircigh ag filleadh abhaile ná a thabhar ar d’iarratais ó dhaoine nach eisimircigh iad.**
- De dheasca na dtréithe éagsúla a bhaineann le chuile iarratas ní féidir treoir líne níos cuimsithí a thabhairt.**

the existence of this holding. The period of family ownership of the holding, the reasons for its disposal, the current location (if any) of the family members will be taken into account. On establishment of eligibility for rural housing they will be considered for housing on lands within the “local area” of the former family holding.

- The meaning of “local area” will be decided on a case-by-case basis. Generally any location within approx. 1.6 kilometres of the family home will be acceptable. Site location to minimise impact will be a major consideration in the assessment of the application.

### **3. Returning emigrants who are unable to obtain a site on the family holding.**

- Claims that a site is not available on the family holding will be accepted where it is not possible to build on the lands due to physical constraints or due to Landscape Sensitivity Rating or statutory designation. Unwillingness by the family to provide a site will generally not be accepted. Establishment of need in such circumstances will be more difficult.
- The purpose of the foregoing is to ensure that applications from returning emigrants are processed in accordance with the principles of proper planning and sustainable development and have regard to the provisions of the development plan. In this regard applications from returning emigrants will not be treated more favourably or less favourably than applications from non-emigrants.
- Because of the varied circumstances behind each application it is not possible to offer more comprehensive guidance.
