Re: Application under Section 37L of the Planning and Development Acts, 2000 - 2021 for further development consisting of further quarry extraction over an area of c. 16.17 ha to include the pre-existing quarry extraction area and additional agricultural lands in the western and south western portion of the site and associated development at Clogrennane, Bilboa, Co. Carlow

ACP case ref. FD01.324015

Dear Mr. O'Connor,

With reference to your letter of 15 May concerning the above referral, the Authority outlines the following observations for the Boards consideration;

The Authority notes the subject development site accesses the local road network and notes the traffic analysis undertaken in support of the subject application outlined in Chapter 13 of the EIAR that accompanied the application.

Having regard to the extent of the operations presented in the EIAR and the location of the subject quarry operations accessing the local road network, the Authority has no specific comment to make in relation to the subject development in terms of impacts relating to the safe and efficient operation of the existing or planned national road network in the area.

The Authority has no other specific comments to make in relation to the proposed development and trusts that the foregoing proves of assistance to the Board in dealing with this matter.

The Authority trusts that the foregoing proves of assistance to the Board.

Yours faithfully,

Michael McCormack
Senior Land Use Planner
