Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

The windmills are up and

- ① they are extremely loud from our farm when running properly
- ② we get flicker shadow
- ③ The red lights are very intrusive
- ④ They are huge and too imposing on the landscape.

When they were tested in the winter the noise was audible from inside our house.
