Dear Sir / Madam,

re GORT Wind farms LTD
Document No. QS - 000280-01-R460-003-000.

We would like to object to the above application for Substitute Consent to an Bord Pleanála made on 21st August 2020.

We feel this application is invalid. The European Court of Justice in a ruling issued on 3rd July 2008 that permissions in schedule 2 are certain of the same were invalid or otherwise defective, as set out in the judgement. Case C215/06.

The Irish Supreme Court in a judgement issued on 1st July 2020 ruled that substitute permission such as applied for in this case are not valid. We request that the Bord convene an ORAL hearing to resolve this case.

Yours Sincerely

Deering.
