**PUBLIC NOTICES**

**APPLICATION TO OFFALY COUNTY COUNCIL AS THE NATIONAL WASTE COLLECTION PERMIT OFFICE (NWCO) FOR THE TRANSFER OF WASTE COLLECTION PERMIT NUMBER NWCO-10-06-16-04 PREVIOUSLY AUTHORIZING Nicholas Moore T/A Newrath Haulage, Newrath Castlebellingham, Co Louth TO Newrath Transport Ltd, Newrath, Castlebellingham Co. Louth**  
Newrath Transport Ltd has made an application to the NWCO for the waste collection permit referenced above, to be transferred to the proposed transferee mentioned above to collect waste which may include hazardous & non-hazardous, commercial, industrial, household, construction & demolition waste, sludges, slurries & septic tank waste and other wastes in Counties Cavan, Dublin City, Dun Loaghair, Rathdown, Fingal, Kildare, Loais, Longford, Louth, Meath, Monaghan, Offaly, South Dublin, Westmeath and Wicklow.

A copy of the application will be available for inspection or purchase at the principal office of the nominated authority as soon as may be and any member of the public may, within a period of 25 working days of the date of this notice, make a written submission to the nominated authority in relation to the application for a permit transfer.

**PLANNING APPLICATIONS**

**DUBLIN CITY COUNCIL - CK Hutchison Networks Ireland** intend to apply for permission for development at St. Vincents GAA Club, Pairc Naomh Uinsinn, Grace Park, Malahide Road, Donnycarney, Dublin 3. The development will consist of replacing the existing 18.5 metre floodlight with a new 18.5 metre high telecommunications support structure carrying telecommunications equipment and floodlights, and ground-level equipment cabinet and fencing. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.

**KILDARE COUNTY COUNCIL - CK Hutchison Networks Ireland** intend to apply for permission for development at Confey GAA Club, Confey, Leixlip, Co. Kildare. The development will consist of the construction of a 24m high multi-operator telecommunications support structure carrying antennas and dishes, with associated ground level equipment cabin and cabinets, and security fencing. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.

**CAVAN COUNTY COUNCIL - CK Hutchison Networks Ireland** intend to apply for retention permission and permission for development at this site: Taghart South, Shercock, Co. Cavan. The development will consist / consists of: Retention of an existing 30m high telecommunications support structure carrying antennas and link dishes together with associated equipment units & security fencing. Permission is also sought for the addition of six antenna. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours. A submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within a period of 5 weeks beginning on the date of receipt by the authority of the application.

**APPLICATION TO CORK COUNTY COUNCIL - Planning** Permission is being sought by Smithkline Beecham (Cork) Limited, for the relocation of the proposed ESB Substation, approved under planning application ref. no. 20/04090, from the rear of the site to the southeast of the site, adjacent to the main site entrance, at the IDA Business and Technology Park, Killaclloyne, Carrigrohane, Co. Cork. The ESB Substation including an adjacent Switchroom will be 3.375metres high, 7.650metres long and 4.360metres wide. The Planning Application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Department, Ground Floor, Carrigrohane Road, Cork, during its public opening hours, i.e. 9.00am to 4.00pm Monday to Friday (excluding public holidays). A submission or observation may be made in writing to the Planning Authority on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the Authority of the application, and such submissions and observations will be considered by the Planning Authority in making a decision on the application. The Planning Authority may grant permission subject to or without conditions, or may refuse to grant permission.

**LICENCED PREMISES**

**SELLING OR BUYING** a 7 day liquor licence Call: 01 2091935

**PLANNING APPLICATIONS**

**Application to An Bord Pleanála for Substitute Consent** Gort Windfarms Limited intend to apply for substitute consent for development at this site in the townlands of Coppanagh, Slieveanore, Loughatorick North, Boleyneendorrish, Kilbeg, Toormacnevin, Funshadaun, Derrybrien North, Derrybrien South, Bohaboy, Derrybrien West, Derrybrien East, Derreenamucka, County Galway. The development consists of the constructed (1) Derrybrien wind farm and all on-site development works; (2) a 110kV electricity grid connection; (3) all ancillary works associated with the construction of those elements - including all works carried out in response to a peat slide event that occurred during construction; and the continued operation of the elements listed above. The development is located on a 514 Hectare site. Item (1) - Derrybrien wind farm, comprises 70 No. Vestas V52-850 kW wind turbines (with a hub height of up to 49m, a blade length of 26m, and overall height of up to 75m), accessways and service roads, borrow pits / quarries, peat repositories, 2 No. 49m high anemometer masts, a 110kV / 20kV substation (Derrybrien Substation - comprising a fenced compound housing control buildings, outdoor electrical plant and equipment) and all associated ancillary works. Item (2) - the 110kV electricity grid connection, consisting of overhead electrical lines (comprising the 7.8 km long Derrybrien-Aganngal 110kV line connecting Derrybrien Substation with Aganngal Substation, and an overhead connection from Aganngal Substation to the pre-existing Ennis-Shannonbridge 110kV overhead line) with overhead electrical conductor supported by a total of 45 No. support structures (34 No. double wooden polesets, 4 No. end masts, 6 No. angle masts and 1 No. intermediate mast), and Aganngal 110kV Substation (comprising a fenced compound housing control buildings, outdoor electrical plant and equipment). Item (3) - ancillary works carried out include: tree felling, the development of temporary and permanent accessways, temporary construction works sites and all works carried out in response to a peat slide event that occurred in October 2003 including: engineering and drainage works, construction of in-stream barrages, development of borrow pits / quarries and peat repositories and works to access roads, roads and bridges. The application relates to development which comprises or is for the purposes of an activity requiring a waste licence. This application for substitute consent is accompanied by a remedial Environmental Impact Assessment Report (rEIA) and a remedial Natura Impact Statement (rNIS). Submissions or observations may be made on the application, including the rEIA and rNIS, to An Bord Pleanála, 64 Marlborough Street, Dublin 1 without charge. Submissions or observations must be in writing and made within the period of 5 weeks beginning on the date of receipt of the application by An Bord Pleanála and such submissions and observations will be considered by An Bord Pleanála in making a decision on the application. An Bord Pleanála may grant the consent subject to or without conditions, or may refuse to grant it. The application for consent, including the rEIA and rNIS, may be inspected, or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of An Bord Pleanála or the Planning Authority (Galway County Council) during its public opening hours. The application may also be viewed or downloaded at the stand-alone project website: <https://www.derrybrienwindfarm.ie/> and on the Department of Housing, Planning and Local Government's EIA Portal located at: <http://housinggov.ie/maps.arcgis.com/apps/webappviewer/index.html?id=d7d5a3d48f104ecbb206e7e5f84b71f1>.

**OBITUARY**

**FARRAGHER**, Patrick - Passed away on August 14, 2020, at his home in Victoria, BC. Patrick was born September 29, 1931, in Muckersaune, Co. Mayo, Ireland. Patrick is survived by his wife of 49 years Marion Farragher and their four children, Suzie (Greg) McGovern, Sean (Sika) Farragher, Sheila (Shawn) Dalton and Michelle (Christopher) Mallalieu. Patrick and Marion are blessed with ten grandchildren: Kyra, Kaitlyn, Patrick, Seamus, Jasper, Chloe, Clara, Michael, Adeline and Evan. He will be missed by his family and friends across Canada and Ireland. From his very modest start, where he, at age 15 was hired to bring electricity to his home village of Muckersaune, Ireland, he developed a taste of the new and set his sights on the future. His adventurous spirit soon led him to explore the world. His first adventures were in Europe but his passion to explore shortly led him to South America where he worked in a mining company, rising through the ranks as a self-taught engineer. He spent many years in Venezuela and embraced the culture, but an invitation to work in the remote regions of Northern Québec started the next chapter of his life in Canada. Patrick met his wife in the most unlikely location while traveling in Ethiopia. An invitation to a treacherous horseback ride sealed their fate and they were wed shortly thereafter in Birmingham, England on February 29, 1971. Returning to Canada and eventually settling in Toronto, they were blessed with the four children. Patrick was a devoted father whom he imbued to his children his own sense of adventure. As a younger man, Patrick's love of flight led him to get his bush pilot licence. Patrick had a love of photography, languages, and cultures. He delighted in his Irish heritage and maintained close relationships with his Irish family. Patrick loved children and was only too happy to play with all ten of his grandchildren. Throughout his life, he remained a devout Catholic and his faith gave him strength. Marion and Patrick have lived in Victoria, BC since 2016. Patrick was buried at Royal Oak Burial Park on Wednesday, August 19, at 12.00 p.m. PST, followed by a celebration of Patrick's life which was held at their property after his funeral. In lieu of flowers, donations may be made to Plan International Canada <https://plancanada.ca/>. Condolences may be offered to the family at [www.mccallgardens.com](http://www.mccallgardens.com). McCall Gardens of Victoria, BC, Canada.
