RE: Case Reference SU01.311893  
Quarry (Substitute Consent) at Maplestown, Co. Carlow

Dear Ms. Tucker,

I refer to your letter of 18 January 2022 concerning the above referral. The Authority outlines the following observations for the Board's consideration.

The Authority notes the subject development site accesses the local road network and notes the traffic analysis undertaken in support of the subject application outlined in Section 12.1 of the Remedial EIS.

Having regard to the extent of the operations presented in the rEIS and the location of the subject quarry operations accessing the local road network, the Authority has no specific comment to make in relation to the subject development in terms of impacts relating to the safe and efficient operation of the national road network in the area.

The Authority has no other specific comments to make in relation to the proposed development and trusts that the foregoing proves of assistance to the Board in dealing with this matter.

The Authority trusts that the foregoing proves of assistance to the Board.

Yours sincerely,

Mark Byrne
