06th December 2021

Re: Case Number ABP-311893-21 – Quarry, Maplestown, Co. Carlow. Response to request for further information.

To whom it may concern,

Further to the Board's correspondence of 17th November 2021 seeking further information, on behalf of the Applicant Mr. Mark Phelan Enviroguide consulting is pleased to submit the following further information and clarifications

- The area of the site to which the application for substitute consent relates is correctly shown on all drawings including Drawing ref. P-01 and P-02. The detailed survey works undertaken in support of this application for Substitute Consent identified the area requiring substitute consent as being that which is shown in the drawings submitted in support of this application
- Enclosed is 6no. copies of drawings which include sections through the substitute consent site at scale in accordance with Article 227(c) of the Planning and Development (amendments) Regulations 2011 (SI 476 of 2011).
- Enclosed is 6no. copies of a revised site location map to include the position of the site notice erected pursuant to article 223 (1)(b)
- Enclosed is a revised CD containing the full application including the additional drawings and information as requested in the above referenced correspondence.

Should you have any further queries in this regard please do not hesitate to contact the undersigned.

Yours sincerely,

Colin Lennon
Technical Director
