

A line drawing of a house with a chimney, a window, and a large green field. The house is on the left, with a chimney on the roof. A window with a red frame and blue panes is on the wall. To the right of the house is a large green field with vertical lines, representing grass. The field is enclosed by a fence on the left and right sides. The background is white.

A diagram of Earth showing its magnetic field. The Earth is represented as a circle with a vertical axis. Magnetic field lines (B) are shown as curved arrows originating from the magnetic south pole (labeled 'S' at the top) and pointing towards the magnetic north pole (labeled 'N' at the bottom). The magnetic poles are labeled 'N' and 'S' at the top and bottom of the circle, respectively. The geographic poles are labeled 'N' and 'S' at the left and right of the circle, respectively. A red arrow in the top right corner points towards the magnetic north pole.

Architectural floor plan showing various rooms and dimensions. The plan includes a large 'OFFICE' area (3,742 sq ft) with a 'HIGH LEVEL WINDOW' and a 'TOILET'. A 'NEW DOOR & FRAME' is indicated near the 'TOILET'. The plan also shows an 'EXISTING STORE & GARAGE' area (9,734 sq ft) and a 'PROPOSED EXTENSION' (166'5"). Dimensions are given in feet and inches. The plan is oriented with 'B' at the top and 'A' at the bottom.

Dimensions and labels:

- 166'5" (PROPOSED EXTENSION)
- 4,342
- 3,742
- 2,675
- OFFICE
- HIGH LEVEL WINDOW
- TOILET
- NEW DOOR & FRAME
- 9,734
- EXISTING STORE & GARAGE
- 10,334
