Re parking at the Mews, Stable lane

Dear sir,

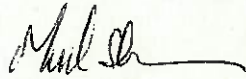

I received the attached letter in relation to parking at the above.

We do not plan to park in the lane. It will be either in the courtyard of the house or in the nearby roads and we have applied for parking permits.

Attached also is a letter send by our solicitor in October to Mairead Leyne solicitors.

In your letter you mentioned Stable Lane. Is this the official name for it? I did a quick search but could not find a reference to it. I would appreciate any information on this.

Regards,

Michael & Linda Shorten

Dear Mairead,

We confirm that we act for Michael and Linda Shorten who are in the process of purchasing the above property. We refer to your letter of 4th October which has been passed to us by Augustus Cullen Solicitors.

Our clients note your clients' concerns in relation to the parking situation and would like to reassure your clients that they are aware that there is no right to park on the laneway abutting the property. Our clients will park either within the boundaries of the property or on the nearby public road with a parking permit.

Our clients would like to have a good relationship with their new neighbours and hope that this will be reciprocated.

Yours faithfully,

Amy Fitzpatrick
