**R.E. Part V (Exempted Development) Application for conversion of detached domestic garage to gym used on one on basis at Knockatavey, Knockbridge, Dundalk, Co. Louth A91 D927**

Dear Sir/Madam,

I am big into fitness and I converted Colm Kirk's (my brother) detached domestic garage into a gym for private use in 2020 for me, neighbours and friends.

In 2021 I decided that I would provide a service for these people and to use the gym on a one-to-one basis. I have conducted many personal fitness courses and obtained certificates so as to operate as an instructor.

The conversion of the detached domestic garage to a gym has cost me a lot of money and the service I provide is a badly needed in the local area. No other gym facilities are available at present in the Knockbridge area. The provision of this facility was needed for years. The alternative was to travel large distances to Dundalk or Carrickmacross to visit a gym.

My gym facility has provided my friends and neighbours the opportunity to exercise during difficult times, notably Covid 19 restrictions, and their mental wellbeing and physical fitness has dramatically improved.

I genuinely believe that the development, which has not changed the height, width or external finishes of the building, does not need planning permission. The gym was in use by me and neighbours/ friends since 2020 for non payment and since 2021 a fee was charged for upkeep of the premises. Irrespective of whether a fee is charged or not the building was and always will be used on a one to one basis. There has not been an increase the volume of visitors to the property since the garage was renovated into a gym.

I hope you look favourably upon my application for Exempted Development.  
If you require any clarification or additional information in regard to this, please feel free to contact me.

Yours Sincerely

**Kevin Kirk**

AND WHEREAS Louth County Council has concluded that on the basis of the information submitted that

- (i) The subject change of use and alterations to the existing structure constitute development as it represents a material change of use;

- (iii) The use of a domestic garage for commercial purposes where access to same is onto a protected regional route gives rise to a traffic hazard;

NOW THEREFORE Louth County Council in exercise of the powers conferred on it by Section 5(2)(a) of the Planning and Development Act 2000 (as amended), hereby decides that the change the use of a domestic garage to a commercial gym is development and is not exempted development.

This decision may be referred by you to An Bord Pleanála for review within 4 weeks of the date of this letter subject to the payment of the appropriate fee.

Yours faithfully,
